

Submitter:

Andrea Turner

On Behalf Of:

Committee:

House Committee On Rules

Measure, Appointment or Topic:

SB238

This is a violation of privacy and 4th amendment search and seizure laws, I thought you had counsel vet proposed legislation for constitutionality before sending introducing it, you should read the 4th amendment again, as well as the case law. Government needs to GET A WARRANT to search, unless exigent circumstances exist. Stop trying to turn us into a surveillance state.
