Committee:

House Committee On Rules

Measure, Appointment or Topic:

SB243

I am in strong opposition to this bill. It would create criminals overnight for firearm parts that are in common use in Oregon. With a severe punishment. It also tramples on our right to own and carry firearms, and firearm accessories, that are protected by the US and Oregon constitutions.

Additionally. Adding restrictions to licensed concealed carry holders creates confusion and could lead to many people getting arrested and charged. No changes to the Concealed carry laws should be implemented.
