Measure, Appointment or Topic: HB2025

I can see you people do not care about the poor people of eastern Oregon that have to have cars to get around and can not afford to pay more taxes and fees to support western Oregon way of life.! I have a limited amount of money to liove on and you want to take more of it away to fix problems that do not mean anything to me or my the others around me. Ifyou do this I will not be able to live here any more!!
