Committee: Joint Committee On Transportation Reinvestment

Measure, Appointment or Topic: HB2025

I am opposed to this outrageous bill. You should be ashamed of yourselves for even considering this bill. We are taxed and regulated to death. STOP IT! We the People do not want taxation without representation. Sound familiar? It would if you were interested in a Constitutional Republic. Do us a favor and stand up for the people of Oregon, remember you work for us. Need a reminder? The mid terms are coming, we will not forget everyone who votes in favor as well as those feckless so called leaders that do not stand up for sanity on this issue. Vote no!
