

Submitter: Tom Billings  
On Behalf Of: All senior  
Committee: Joint Committee On Transportation Reinvestment  
Measure, Appointment or Topic: HB2025

Do you want all senior citizens to move to another state? We cannot afford increases like this! That's why we voted for our new President. We will vote you out of office if this passes! Democrats just like to spend money on needless projects. STOP  
PASSAGE OF THIS BILL!
