NO MORE TAXES! I oppose HB2025. Families and businesses are fleeing Oregon for states with lower taxes. This is not rocket science: High taxes = less tax base. Low taxes = higher tax base. Oregonians are drowning and every time we turn around, the State is adding more weights to our ankles. We do not have a revenue problem, we have a spending problem by our out of control government. Average Oregonians must live within their means - the State should have to do the same.
