SB243

I oppose this bill as it creates several problems for law abiding citizens. I am an avid outdoorsman, and do this with my kids as well. This bill will prevent them after they become legal adults from purchasing their own firearm for recreational purposes. I also possess a concealed carry permit, this bill will prevent me from exercising my rights as well by banning me from carrying and the fact that the restrictions are applied by individual jurisdictions, we could potentially be in violation without even realizing it.
