Measure, Appointment or Topic: HB2025

The proposed tax increases are totally ridiculous! Even a casual glance at a typical ODOT project returns the glaring conclusion that ODOT is a totally mismanaged organization that needs new leadership and a major overhaul! An 8 person crew with 2 actually working and the rest watching or sleeping appears to be typical. And the some of the projects ODOT decides to undertake while being nice to do are not necessary and the money would be much better utilized on basic maintenance activities.
