

Submitter: David Kelso  
On Behalf Of: Stop Fleecing Taxpayers  
Committee: Joint Committee On Transportation Reinvestment  
Measure, Appointment or Topic: HB2025

You do NOT need more money, you need to slash expenses. We need a DOGE style takedown of this state's incompetent liberal leadership. Your tax and waste approach knows no end and there will be a reckoning for your party, just as we're seeing on a national level. Cut waste, not raise taxes and you'll stand a chance.
