SB243

This testimony is to show opposition for SB 243. This bill does nothing, but restrict the rights of legal gun owners and not addressing the real problems of mental health and criminals using illegal weapons that were stolen or from underground sources; raising the age to 21 for purchasing a gun only takes away the rights of adults who can vote or join the military; a waiting period would only restrict someone who would could be in a position of needing self defense from a deranged ex or a real criminal. Again, I strictly oppose SB 243 for above reasons and several more , and restricting my 2nd amendment rights..... Douglas Estes.
