SB243

I fully oppose this bill in its entirety as it will do nothing to make anyone safer. It will only turn law abiding citizens to criminals, and do nothing to further punish criminals. Further where CCW holders may legally conceal their firearm does not make anyone more safe. CCW holders have participated in background checks for both their legally obtained firearms, and their license to carry concealed. Why are they being punished for being responsible, law abiding citizens, when a criminal will follow no such law, therefore stopping nothing.

Again, I fully oppose this bill in its entirety.
