SB243

I'm tired of Oregon law makers constant attack on the second amendment. These proposed laws do zero for reducing gun violence. These bills only make it more difficult for law abiding citizens to exercise their rights. CCL holders will no longer know when and where they can carry. Leading to making criminals out of non criminals. Meanwhile in the state of Oregon actual criminals with real gun crimes face little punishment. Almost as if you're not actually trying to reduce crime you're trying to reduce the 2nd amendment.
