

Submitter: Billy Chatfield
On Behalf Of: We the people
Committee: Joint Committee On Transportation Reinvestment
Measure, Appointment or Topic: HB2025

ODOT has not been held accountable for money it was given in the past and not doing what it was suppose to do. Why are we getting taxed out of our homes to support them? The Republicans have a transportation bill that will not raise our taxes to the highest in the nation. I vehemently pose this bill and urge you to do the same.
