SB243

Please do not pass this bill. As many said in the public hearing this bill punishes CHL holders for being law abiding citizens and following the rules. To get a CHL you must take training and pass a federal background check, get fingerprinted and follow the rules. This bill creates a lot of confusion with the addition of all of the public offices, sometimes overlapping, where you can or cannot carry. And trying to keep track of all of that would be ridiculous! And could easily make a criminal out of someone that is trying to access their 2nd amendment rights lawfully. This bill is a hot mess. Please vote NO!
