

Submitter: Michael Angelechio

On Behalf Of:

Committee: Joint Committee On Transportation Reinvestment

Measure, Appointment or Topic: HB2025

As a small business owner, I can tell you firsthand that we are already under immense pressure from rising costs, inflation, and increasing tax burdens. Additional taxes could be the tipping point for many of us. I respectfully urge you to consider the impact on small businesses before approving any new tax measures. Please, give us the space to survive and continue contributing to our communities and local economies.
