

Submitter: Leola Wenning

On Behalf Of:

Committee: Joint Committee On Transportation Reinvestment

Measure, Appointment or Topic: HB2025

I oppose HB2025 vehemently!!!

Yesterday I was talking to a senior citizen who stated they are having trouble even buying groceries!!! Families are having trouble paying for our expensive fuel here.

WE ARE BEING TAXED TO DEATH HERE IN OREGON!!!

ENOUGH IS ENOUGH!

Vote NO on HB 2025!!!
