

Submitter: Shannon Curtis

On Behalf Of:

Committee: Joint Committee On Transportation Reinvestment

Measure, Appointment or Topic: HB2025

The increase in taxes proposed will hurt Oregonian's, and will raise the cost in every aspect of our lives. Oregon already has a high cost of living, these taxes will make it even harder for Oregonians to make ends meet. What would benefit Oregonians more is accountability for the money already being spent, and eliminating waste, fraud, and abuse. Elected officials continue to pass their wasteful spending on to the citizens of this state. Enough is enough.
