

Submitter: Nancy Osborne

On Behalf Of:

Committee: Joint Committee On Transportation Reinvestment

Measure, Appointment or Topic: HB2025

To: Co-Chairs Gorsek & McLain, Co-Vice chairs Starr & B. Davis and members of the committee

Fr: Nancy Osborne

I ask for your support for HB2025 Sections 111 & 117 which put into place the Wildlife-Vehicle Collision Reduction Fund. Highways make it difficult for wildlife to migrate. Collisions between wildlife and vehicles take a huge toll on people, injuring thousands every year.. By funding the Collision Reduction Fund you will address the safety and environmental fragmentation caused by roadways. Please consider this request.
