Measure, Appointment or Topic: HB2025

I oppose HB2025 -- No to new taxes and no to any increase in taxes. As a family farmer in Benton County for 5 generations, I regularly submit payroll and fuel reports and make the corresponding tax payments electronically. This state of Oregon is a mess with poorly thought out computer programs and has no business creating more until they can show some commonsense in planning and implementing the programs already in use. Revenue forecasts show an ample amount of funding and I am aware of the Republicans proposed ODOT plan. --No on HB2025--
