Committee: Joint Committee On Transportation Reinvestment

Measure, Appointment or Topic: HB2025

I oppose this bill Oregon is one of the highest taxed states in the union higher taxes will only burden everyone living here as well as businesses and will drive businesses out of this state and take their tax money with them and their employees so it's a double loss for this state. Our local government needs to balance the budget and work with the money it already has available to it instead of passing more tax laws to burden its people and keep spending money with no consequences.
