Committee:	House Committee On Rules
Measure, Appointment or Topic:	SB243

Yet another infringement on our Constitutional rights. This REQUIRES a "no" vote. When are you going to finally understand that law- abiding citizens aren't the problem? This proposed bill only restricts good folks and won't do anything to stop criminals. Yet again, another feel-good measure that won't do anything. Quit wasting our time and taxpayer dollars... you guys are getting really good at that.
