

Submitter: Susan Amick

On Behalf Of:

Committee: Joint Committee On Transportation Reinvestment

Measure, Appointment or Topic: HB2025

You are just moving more businesses and individuals out of Oregon. What is wrong with you. We can't afford to live here as it is. You only want people here that have their hands out and you want to tell them what to do and how to do it. You do not deserve your jobs - you are not 'For The People!'
