Please vote no on this bill SB2025. I am a life long Oregonian and almost 70 years old. Increasingly,

It is harder and harder for seniors to make ends meet in the great state of Oregon, myself included. This bill would cause me and others on a fixed income great hardship. I am watching which way my local representatives and senators vote and I will remember how they voted at election time and I will vote accordingly. I'm too old to pick up and move to a state more tax friendly to seniors.
