

Submitter: Charlotte Robson

On Behalf Of:

Committee: Joint Committee On Transportation Reinvestment

Measure, Appointment or Topic: HB2025

I have lived in Oregon all my life and now, when I should be comfortably retired with just a few years left, I'm sure...I am in dire straits with possible foreclosure, with not enough income to cover necessities due to the selfishness of our Oregon Congress and maniacal Governor. NO MORE NEW TAXES. REMOVE A LOT OF THE FEES ATTACHED TO LAND USE.
