SB243

This bill makes criminal out of innocent people.

A GUT & STUFF

The Amendment reads like guilty without the right to prove our 2nd Amendment rights, and without any criminal act or intent other than the stripping of our 2nd Amendment rights. This bill wants to disarm us while at the same time you want to let more criminals go free (HB 2640) and extend sanctuary to sex offenders (SB 820 & SB 821). This amendment combines into one bill: HB 3076, SB 696, SB 697, SB 698, SB 429, HB 3224 and HB 3075.

This goes against the constitution. In good conscience, you can only vote no on this.

Thank you!
