Committee: Joint Committee On Transportation Reinvestment
Measure, Appointment or Topic: HB2025

This bill had to have been written by a Nazi! Not only are the taxes excessive and not needed, but WHY ARE YOU SETTING UP INTERNATIONAL FUEL TAX AGREEMENTS and have them collect all the money, AND KEEP OUR PERSONAL AND PRIVATE INFORMATION ON THEIR COMPUTER SYSTEMS! THERE IS SO MUCH OF THIS BILL THAT SOUNDS LIKE IT CAME STRAIGHT OUT OF A COMMUNIST COUNTRY. This is America, go elsewhere if you want to try and rape the taxpayers. WE ARE NOT STANDING FOR THIS ANYMORE.

DROP YOU IDEAS OF A BRIDGE ACROSS THE COLUMBIA AND WE DON'T NEED ALL THESE TAXES
