Measure, Appointment or Topic: HB2025

We are a prosperous state. But the one party that governs this state refuses to keep it this way. We must attract and keep the middle class that fuel our economy. Please stop the spend and spend more mentality. Simply put: If the bills go up, the people will leave. California is a poor example to follow. Mass exodus from an unaffordable and unsustainable rising cost of living. STOP RAISING TAXES AN SPEND ONLY WHAT YOU HAVE.
