Committee: Joint Committee On Transportation Reinvestment

Measure, Appointment or Topic: HB2025

My name is LeeAnn and I am a Bend resident and a former member of the DCLD CFEC RAC. As a Bend resident, I am asking you to increase funding for the Oregon Community Paths program in HB 2025. With our city growing rapidly, we need safe, connected walking and biking routes so people of all ages and abilities can get where they need to go to meet our obligations of CFEC and to provide equitable access to transportation options for all. Investing in multi-modal infrastructure is essential for a livable and sustainable Bend.
