

Submitter: Brian Hoaglin

On Behalf Of:

Committee: Joint Committee On Transportation Reinvestment

Measure, Appointment or Topic: HB2025

My wife and I absolutely, 100% OPPOSE this bill and/or any increase in taxes/fees or the theft of our Kicker which was voted into law by the people of Oregon. Enough is enough, money is tight for most every family, and to propose an increase like this, just shows how out of touch our elected officials are.
