Measure, Appointment or Topic: HB2025

My name is Patricia Haffner from Corbett, Oregon. I'm strongly opposed to HB 2025. My husband and I are in our 80s and living pretty much on a fixed income. Raising gas taxes, registration fees, and licensing costs in the middle of a cost-of-living crisis is unacceptable. This bill punishes working families and those who are retired, just trying to get by. Enough is enough. Please do not pass this bill. Our taxes in Oregon are more than high enough! Thank you.
