

Submitter: Nancy Munsey

On Behalf Of:

Committee: Joint Committee On Transportation Reinvestment

Measure, Appointment or Topic: HB2025

I'm not happy about how you are trying to sneak this bill through with little publicity and very few days of testimony. You are trying to bankrupt Oregon like you have tried to bankrupt the United States. This bill would double or triple everyday costs for all Oregon citizens. DO NOT PASS THIS BILL WITHOUT MORE PUBLIITY ABOUT WHAT IT WOULD ACTUALLY COST!!
