I am opposed to HB 2025.

37.5% tax hike

\$70+ title fees

\$50+ registration fees

Up to 270% drivers license fee

It is ridiculous to expect that this is affordable for the average blue collar workers & for retirees like myself. Taxes like these are punishing cruelty for average, lower income, & senior citizens.

I really wish the politicians in Oregon spent as much time making life easier for citizens as they do making it more difficult for us.

I really wish they cared at all.
