My family cannot afford ANY more tax and spend legislation ! We have already been way OVERTAXED for years !! It ANGERS me that, ESPECIALLY in this time of OBVIOUS WASTE (I'm talking specifically about Oregon government) and derelict mismanagement, anyone has the cheek to even suggest it ! We are barely crawling out from the morass of debt and poverty that Covid lockdowns caused, nearly completely destroying our business. Oregonians have to be able to afford to DRIVE to their JOBS. There is NOTHING you can say to justify getting your hands on any more "free" money from Oregon taxpayers ! Make this bill disappear already !! DO NOT WASTE THE VALUABLE TIME INVESTMENT OF OUR REPRESENTATIVES with any more of your GREED ! HOW DARE YOU ?!!
