Measure, Appointment or Topic: HB2025

My name is Donna Henley, and I live in Brookings, Oregon. I'm writing to express my strong opposition to House Bill 2025. With the cost of living already straining Oregon families, this bill would make it even more difficult to get by. Raising gas taxes, registration fees, and payroll taxes will place an unfair burden on working families and retired people like me. The better bill to resolve the issues is HB3982. It focuses on better use of existing funds and won't cause economic hardship for Oregon families. I urge you to vote no on HB 2025 and instead focus on holding ODOT accountable and making better use of the funding it already has by supporting HB3982.
