

Submitter: Louis Bowers

On Behalf Of:

Committee: Joint Committee On Transportation Reinvestment

Measure, Appointment or Topic: HB2025

My name is Louis Bowers. a resident of Eugene Oregon. I am strongly opposed to HB 2025. Legislators continually find new ways to spend money, many of which are not needed, poorly planned, or underused. We do not need higher gas tax nor many government fees. Please oppose HB 2025.
