Measure, Appointment or Topic: HB2025

My name is Benito Carreon from Scappoose, Oregon. I'm strongly opposed to HB 2025. Raising gas taxes, registration fees, and licensing costs in the middle of a cost-of-living crisis is unacceptable. This bill punishes working families just trying to get by. With the high cost of living already raising registration fees and gas taxes would make it even harder for my family to makes ends meet.
