

Submitter: Glenn Schneider

On Behalf Of:

Committee: Joint Committee On Transportation Reinvestment

Measure, Appointment or Topic: HB2025

My name is Glenn D. Schneider from Gresham, Oregon.

I'm **strongly** opposed to HB 2025.

I oppose new gas taxes and DMV fees.

We can't afford the mismanagement of our state's financial resources.

The legislature's mismanagement of the state budget
has undermined our household budgets.

The state budget has doubled over the last decade.
ODOT must make proper use of their funding.

Sincerely,
Glenn D. Schneider
