Hello -

I'm opposed to HB 2025 for the following reasons:

- ODOT must first put in place controls and performance audits prior to asking for another \$1Billion in taxes & fees from Oregonians

- ODOT has failed to effectively manage funds including a '23-'25 budget error which over-inflated revenue by \$1.1 Billion. See Internal Audit from January 6, 2025.

ODOT has created the problem, not our citizens. Oregonians should not have to pay for ODOT's mismanagement of funds.

Thank you
