Measure, Appointment or Topic: HB2025

I am opposed to HB 2025, please vote no. This bill will increase diesel tax which will subsequently increase the taxes and costs of roads, cars, trucks, buses, transportation, food delivery and much more. This trickle-down effect will be a huge hit on the Oregon taxpayer. This increased tax burden is not something we can afford. Oregonians are being overtaxed at an ever-increasing rate. These increased taxes will continue to drive businesses and working families to flee our state.

Oregon has the 4th highest state taxes in the nation and is currently over 14 billion dollars in debt. Enough is enough. Please oppose HB 2025!
