

Submitter: David Wall
On Behalf Of: Mr Oregon OPPOSES HB 3942
Committee: Senate Committee On Rules
Measure, Appointment or Topic: HB3942

I OPPOSE [HB 3942 B].

[HB 3942 B] does not state WHY the Health Care Facility came into financial difficulties in the first place.

[HB 3942 B] does not state whether the proposed NEW owner is financial, background is made public.

Patient's personal information is a serious concern. Will patient's personal information be protected?

The Oregon Health Authority (OHA) and The Department of Human Services are going to need additional resources, staff and overheads to carry out a "Brand New Licensure Program."

The "New Licensure Program" will require additional funding.

[HB 3942 B] has 'No' budget allocation and or funding source(s) identified.

[HB 3942 B] is therefore incomplete and therefore incompetent.

[HB 3942 B] should be rejected and denied (with prejudice).

David S. Wall

Mr. Oregon Concurs and says, "Everyone who trusts OHA and the Department of Human Services to fulfill expectations of [HB 3942 B] without a serious negative incident raise your hands."
