

Submitter: Roger Hunter

On Behalf Of:

Committee: House Committee On Rules

Measure, Appointment or Topic: SB243

I oppose SB 243 as it imposes significant restrictions on Second Amendment rights without effectively addressing the root cause of gun violence.

Constitutional Rights:

This bill infringes on the constitutionally protected rights of responsible gun owners. This bill punishes law-abiding citizens while failing to address the real drivers of gun deaths, such as mental health issues and violent crime.

Effectiveness:

This bill will do very little to stop crime or reduce suicides. The real focus should be on the root causes of gun violence and not imposing additional regulations on firearms.

Thank you
