Measure, Appointment or Topic:	SB243

I have submitted testimony on this bill numerous times. This bill does nothing to stop criminals but makes criminals out of law abiding citizens. Thanks to the last effort to get standard capacity magazines banned, I am once more able to voice my opinion on just how bad this bill is. It's obvious to me the goal is to disarm law abiding citizens. Nothing in this bill will stop criminals. If passed, it will actually embolden criminals getting them new gun free zones to do their bidding. The number of people opposed compared to those in support are staggering. It should be very obvious to anyone watching that the law abiding citizens do not want or need or expect to have this bill dumped upon us. Do the right thing and give up.
