

Submitter: Nicholas Martin  
On Behalf Of: Self  
Committee: Joint Committee On Transportation Reinvestment  
Measure, Appointment or Topic: HB2025

As a tax paying voter and resident of Oregon. I strongly opposes HB 2025. Working Families even with good paying jobs are struggling enough as it is. The bill does far more harm than any of the hypothetical benefits this bill is being proposed for. Strongly oppose HB 2025.
