

Submitter: Stephen Demergasso
On Behalf Of: SELF
Committee: Joint Committee On Transportation Reinvestment
Measure, Appointment or Topic: HB2025

1) December 2024: The Democrat governor issues an executive order that requires union labor in state construction projects, raising the cost of public transportation projects.

2) June 2025: Democrat Representatives claim they need more money from taxpayers because the state can no longer afford public transportation projects.
