Measure, Appointment or Topic: HB2025

My name is Ron Wright and i live in Josephine county, Oregon and I am a registered voter

I oppose HB 2025 as a true disgrace of taxing Oregonians to death. This bill punishes working families trying to survive in this liberal economy

When will Salem learn to live within their means and stop STEALING/TAXING from Oregonians

As a DISABLED NAVY VETERAN i am not sure i can continue to live in Oregon with all the taxes we are getting killed by

With the danger and disgrace you have put on Oregonians with SB 762, the expenses caused by your liberal laws

THE LIES USED IN THE #s BY DEMOCRATS TO JUSTIFY PASSING THE LEGISLATION

the loss of a lot of Oregonians insurance or the dramatic increase that you have forced on us, the LIES i caught Allstate in when they cancelled my policy ON FEB 8TH

now when interest rates, taxes, health care, business taxes
