Measure, Appointment or Topic: HB2025

My name is Victoria Trempala from Cornelius, Oregon. I'm strongly opposed to HB 2025. Raising gas taxes, registration fees, and licensing costs in the middle of a cost-of-living crisis is unacceptable. I am a senior citizen relying only on Social Security to survive. It hard enough to do that now! This bill also punishes working families just trying to get by. Enough is enough.
