Measure, Appointment or Topic: SB1196

“Dear Senator Wagner,

I am an Oregonian and avid cross country skier and active member of the Oregon Nordic Club worried about the future of organized recreation and fitness opportunities across the state if we do not address liability waiver reform. See below for additional notes on how us members of the club will be affected.

Please support SB 1196-1 and help protect Oregon recreation!

Sincerely,

Dale Elizabeth Grealish

For the Oregon Nordic Club, liability uncertainty threatens two pillars of our mission – trail stewardship and trip experiences. ONC believes that one of the best ways for our community to connect to nature is to get outside and enjoy the landscapes that surround our communities! Facilitating experiences creates opportunities for new experiences, empowers environmental stewardship, and develops community interest in our club. SB 1196-1 ensures our recreation and trail restoration programs will remain affordable, accessible, and legally sustainable across the Pacific Northwest.
