

Submitter: David Wall  
On Behalf Of: Mr Oregon SUPPORTS SB 1125  
Committee: House Committee On Rules  
Measure, Appointment or Topic: SB1125

I SUPPORT [SB 1125 A].

[SB 1125 A] is timely due to current events in the Middle East.

Emergency Services should be equipped with the necessary devices to disable and or 'shoot down' any 'Unmanned Aircraft System (Drone)' that is not under the use by qualified Emergency Services Personnel.

Drones can be used as a weapon system to ignite targeted Wildfires.

Intentional misuse of "Drones" can cause significant destruction to our Forests, Fire Suppression Aircraft, injury and or death to Emergency Services Personnel.

The penalties should be more severe especially, if the criminal perpetrator is a foreign national agent and or Illegal Alien.

David S. Wall

Mr. Oregon Concurs and says, "I am 'Thankful and Respectful' to our Emergency Services Personnel and Command."
