This bill is damaging to us as Oregonians. We struggle every day to make ends meet and now we are faced with possible hikes on gas, DMV fees and more? When do we all get a break? I'm retired and on a fixed income. It makes it even harder for people like me. We don't need to be gouged for stupid agenda that our democrats in Salem think we need. Where is the "For the people" not the agenda? This isn't right! Stop this nonsense!
