

Submitter: Mike Wright

On Behalf Of:

Committee: Joint Committee On Transportation Reinvestment

Measure, Appointment or Topic: HB2025

The cost of living keeps paralyzing friends and family and us. You keep taking us and here we go again. Tax us on essential transportation in order to help equity. Well it's hurting all the people I know. Please look at the big picture. People are leaving Oregon because of constant more taxes and far left agendas. Help us don't hurt us.
